LexSki Membership Meetings

February 16, 2021 7:30

March 16, 2021 7:30-9:00 Meeting VIRTUAL

President's Report (President@lexski.org)

The ski season got off to a slow start but the past few weeks have been excellent! There's good snow and most of Cannon is open! Hopefully some of you are doing day trips to enjoy the slopes. The lodge has not gotten a lot of use this winter, which means that people are probably observing travel guidelines and other restrictions.

For those of you using the lodge, please remember to wear a mask in the common areas and observe proper social distancing rules.

Otherwise, hope everyone is enjoying the winter as much as possible.

Lodge Report (LodgeChair@lexski.org)

Nothing new to report this month for lodge building updates. Work will resume in the spring. With the club seeing limited use, I just want to remind any member who decides to visit, that they must remember to check all doors and windows are closed and locked when they vacate the building. Please also keep an eye on the temperatures, we have seen the heady heights of >90F in the family wing and office, which means that the radiator valves are not set correctly and are staying open much longer than they should.

Please also remember to shovel the family wing stairs and the upper dorm stairs if there is snow on them, we need to keep these stairways clear.

As always if there are any small issues, please try to take care of them if you can. Otherwise add them to the book in the office and let me know too.

Treasurer's Report (Treasurer@lexski.org)

As of 2/7/21:

TD Operating Checking	\$ 28,449.48
TD Operating MM	\$ 25,207.16
Cap Improvement Fund MM:	\$ 65,835.30
Cap Improvement Donations:	\$ 1,725.00
Emergency Fund MM:	\$ 43,500.00

TOTAL FUNDS: \$164,716.94

Our expenses continue to trend low this season, mainly given the minimal usage of the lodge. As is typical, heating, insurance, and debt service remain our largest expenses each month. The construction projects that are under way or in the planning stages will result in some large expenditures in the Spring, but for now the financial position of the Club remains strong.

A few reminders:

- **All Members:** Please use the updated Reservation Form from the LexSki website. Reservation forms must still be submitted to the Host for all visits. Please do not send the forms directly to me during the ski season, they should be going to the host! Due to COVID-19 and because many hosts are choosing not to visit the club on their weekend, it is not necessary to sign the form. If preferred, hosts can handle the entire hosting process remotely. Any guest fees should be sent by Venmo promptly after your visit along with an email to the host you that you have paid.
- **Hosts:** Please forward all the reservation forms together in a single email by the Thursday after your host duty. It is really helpful if you can send the forms as .pdf's whenever possible, as this saves me a step when uploading the forms to our accounting software. Please ensure that all guest fees have been paid for any guest visits during your host week.
- Please remember to only use the new treasurer email: treasurer@lexski.org

In preparation for this season, we have purchased plenty of hand sanitizer and additional cleaning supplies for the lodge. Please make good use of these supplies when you visit and be extra vigilant to clean all areas after use. A forehead thermometer is also available at the sign-in book by the office.

If you notice we are low on any supplies, please let me know, and I will do my best to get them ordered quickly. The trash and recycling dumpsters should have both been emptied recently, but if you notice are filling up (80-90%+ full) send an email to emptythetrash@lexski.org and we will request they be serviced.

Stay Healthy!
