President's Report

Many thanks to Rita McCarthy and the rest of the committee for making the 50th anniversary gala a big success!

The work weekends are complete, and the club is looking better than ever. Thanks again to the Lodge Committee for doing a fantastic job of making sure the club is ready for the winter.

The first membership meeting is Tuesday, November 18, at 7:30 p.m. Everyone will get their packet at the meeting. Please take the time to read over the Rules of the Lodge. We have lots of new members, so it is especially important that we are all familiar with the rules and make a special effort to adhere to them. I encourage older members to help newer members if they need it. Also, if you bring guests up to the club, please talk to them about the rules. You are responsible for the conduct of your guests. If we all take care to support each other, we make our communal living fun and relaxing.

It's time to break out the gear and wax up the skis. Let's hope for another great season like last year!

Lodge Report

We would to thank the membership for your enthusiasm at the work weekends this year. We have put a fresh look on rooms 1-11, and the kitchen has been made over. General cleaning and organization of the club was also accomplished. We hope you like the changes.

The fireplace and chimney have been inspected and cleaned and is ready for the winter.

We are happy to report that the fire alarm system will be online in November. Our fire suppression (sprinkler) system will be a receiving an update as well, with a replacement of the original dry valve and air compressor, which the sprinkler inspector recommended.

The attic was cleaned and reorganized for new members to have space for lockers. We would like to ask everyone to reorganize their attic space. The next time you visit the club, please try to eliminate items you no longer use and reduce your footprint in the attic. If anyone would like to donate an unused locker to a new member, let us know.

There are grey bins in the bar for new members for you to use to bring food for lunches to the club. Please write your name on one and take it home with you each weekend.

Think snow !!
