President's Report

I would like to thank the Cotrans for once again hosting the annual wine tasting. It's a great event and a good way for people to reconnect now that the ski season has ended. Thanks are also again in order to Tommy McCarthy for providing the wine and his knowledge. Next we can look forward to the picnic at the Fahys'. Hoping for beautiful weather!

I would also like to thank everyone who has worked so hard on the budget for the coming year. This is the first year I have had any involvement in the budget, and I have learned that it takes a lot of hard work and cooperation. We currently do not have an official budget committee, and we need people to volunteer to get that committee back on track. The budget will be presented at the May membership meeting.

Lastly, I would like to thank everyone who has stepped up and volunteered to host a work weekend. We have some major league projects lined up, including replacement of the floor in the kitchen.

Lodge Report

The ski season is finally over, and it is now time to look at your calendars and pencil in your work weekend. We have a lot of projects to accomplish this year. The major project will be replacing the kitchen floor; because of this project, the kitchen will be closed for most of the off season. We realize this will be inconvenient for many large groups and members over the summer. We will try to have it completed before the fall. A few suggestions when coming up during this time: try to precook as much food as possible, and bring paper and plastic disposable items; electric griddles and crock pots may be helpful as well. The microwaves and refrigerators will be available, as will the grill. (Bring your charcoal.) I will be packing away a lot of kitchen items, but I will have a container with essential items to cook with.

We have three large groups using the club, as follows: Kristen and Dan Butler (15 people) on July 11, Sherman and Deanna Chan on July 25 (35 people), and Susan and John Gardner. July 31 to August 2. If you wish to use the club on these weekends, please call or send a reservation to these families. All members are still welcome to use the club during these weekends.

The dumpster pickup is now only once a month. Please feel free to call or email us if it is getting full. I will post the pickup schedule up at the club.

The club would like to thank Mary Speare and Jay Flynn for their contribution of a gently used TV for the dining room.

Leaders have been chosen for the following weekends.

May 17/18	WW Host: Charles and Joanne Levin
June 14/15	WW Host: Shari & John Marquis
July 19/20	WW Host: Kristen & Dan Butler
August 16/17	WW Host: Pending
September 13/14	WW Host: Linda Wilcox
October 18/19	WW Host: Pending
November 1/2	WW Host: Howie and Paula Vogel DATE Changed.

We would like to ask you to send in your reservations as soon as you know what WW you will be going to so we can plan the other projects. We are also still in need of two WW hosts.

Have a nice spring.

URGENT message to members whose skis were tagged in November 2013: your time is running out. If the tags are not removed by the June 14/15 WW they will be removed from the racks.
