President's Report

The mountains are open! We have had some family fun at the club already, with a few quiet weekends. Looking forward to seeing more of you at the club soon.

Please remember: **USE AN ORANGE COVER FOR THE SMOKE DETECTOR IN YOUR ROOM WHEN YOU SHOWER!**

The covers are located in the office in a plastic bag. They easily snap on over the smoke detector. After you shower please remember to take them off again. The fire alarm people are looking into the problem and how to readjust the system accordingly.

We have professionals looking into repairing the stove and putting in an exhaust hood. We will let you know as soon as we have more information.

Great news! We have a new cook! His name is Alden, and he is all set to start cooking for the holiday week. Thank you Dan Butler for finding him. I am looking forward to seeing you all at the holiday party and up at the club.
